

*Did you know, 77% of all donors never get a “thank you”?  
Yet, when fundraisers express thanks through gifts, donor development  
can increase by 96% when thanked.*

parent volunteers)

Church Coffee (i.e. weekly sunday morning coffee, youth ministry  
events and mission trips)

## COFFEE COMPANY

Our mission is to positively impact the families in Rwanda, building authentic relationships to be a blessing and example for Christ in these communities. We are doing so by obtaining high quality coffee beans with direct relationship, because Coffee is a unique and sustainable resource that provides connection.

**From there,** Boaz Coffee gives back a fixed portion per bag to support causes, initiatives, and people focused on making a difference.

**Coffee on a Mission. Blessed to Be a Blessing!**
